Announce Winners In Mokena 4th Festival

Parade winners in the Mokena Fourth of July celebration were awarded to Mokena Woman's Club "Mother Goose" float - first place; Chamber of Commerce "Liberty Bell" - second and Orland Park 4-H Club placed third with an entry of livestock featuring two pigs and a calf.

The Brownies and Girl Scout Troops were judged as the best marching unit and individual entry winner was Dean Bressler, who rode a small garden tractor pulling a carrier with a sign "Keep Mokena Clean".

Judges for the parade were Mrs. Marilyn Sievert, Mrs. Ruth Lindberg, both of Mo-

kona and Gary Baughn, New Lenox.

Trophies were presented to the winners by the local Lions Club who sponsored the three day affair.

Miss Frances Bormet, contestant in the Miss Teen Queen contest, was among the ten entries and was named the winner on the basis of selling the largest number of tickets. It was stated she sold 150 books, 930 tickets, by canvassing the local area.

The main award of the celebration was the awarding of a 1967 Ford Mustang. It went to Joe Acuri of Arbury Hills.

At the recent meeting of the Lions Club held July 6

it was announced a capacity crowd were in attendance during the three day celebration. As all of the ticket money had not been turned in, they could not give an exact amount collected but quoted as saying the affair was quite profitable.

Part of the proceeds will be used toward establishing a trust fund for a blind boy who resides in the Mokena area.

AMERICA IS LIVING up to her expectations, says Michiko Maeda of Japan who is here as a house guest of Marjorie Olson, 193d St., Mokena. When Marjorie was in Japan two years ago she spent most of her stay in the Maeda home. Michiko has been wanting to come to America for many years and is quite happy now that she has realized her dream. She finds the distances great but the people friendly. Between the two girls is Marjorie's father, Robert Olson. When Marjorie returns to college this fall Michiko will stay with her at Quincy. (Graphic Newspapers photo)

Watch Your Speed, Mac, On Francis Rd.

There is a two - mile - and - something stretch along Francis Rd. -- on both sides of Cedar -- where the county highway office posted a 30 - mile - an - hour speed limit. That was several years ago.

Prior to this posting there had been a 45 m.p.h. limit and observers point out that few persons, have paid much attention to the 30 - mile signs but go bowling along at 35, 40 or maybe 50 miles an hour.

At least that was the case until the past few weeks. Right now when motorists hit

the zone they slow to a sedate pace and proceed for all the world like an old lady in an electric brougham. The reason is quite simple. The county gendarmerie has brought a radar to the scene on occasions and last week in particular they piled up speeders in stacks.

On Wednesday -- in the forenoon -- two deputies issued some 20 tickets for speeding and indicated they would return -- if not that day then on other days, again, and ah - gain and ah - gain, as the late FDR once phrased it.

Hospitalize 5 Tinley Residents After Boat Fire On The Illinois

The condition of five Tinley Park residents hospitalized at Ottawa, Ill., for treatment of burns suffered in a boat fire Sunday, was reported as fairly good Monday night. None of them was on the critical list, according to a spokesman for Ryburn Hospital.

There were six persons aboard the 22-foot craft owned by Richard Beesley, 47, of 7288 174th St., when the boat caught on fire in the Illinois River, about two miles west of Seneca, but one of them, Millage Bramlet, 51, of 7283 173d St., was released after getting

first aid at the hospital Sunday night.

Hospitalized are Beesley, his wife, Joyce, 45; Donald Singleton, 52, and his wife, Helen, 52, of 8800 Chadbourne (Fernway), and Mrs. Ann Bramlet, 46, wife of Millage Bramlet.

Owners of the Spring Brook Marina reported that as Beesley was moving the boat toward the center of the river, after just having refueled it, the people on shore noticed flame in a canvas at the stern of the craft. They shouted warnings but in moments the boat became engulfed in flames.

The occupants of the boat, their clothing on fire, leaped into the water. They were picked up in boats operated by Earl Wood, of Lockport, Harvey Peterson, Harwood Heights, Leon and Helen Lit-zalman of Naperville and Charles Black of Cicero.

Cause of the fire was undetermined. Robert Thorpe, operator of the Spring Brook marina said he estimated the damage to the boat as about \$2,500. Fortunately the blazing craft drifted to the north side of the river, it was said, which was away from a fuel dump.

All Saints Members Greet New Pastor

Members of All Saints Lutheran Church-Orland Park welcomed their new pastor and his wife, the Rev. and Mrs. Bruce Johnson, with a surprise housewarming party on July 9. This date marked his first Sunday with his new congregation.

The Rev. Mr. Johnson, a 1967 graduate of the University of Chicago Theological Seminary, was ordained in his home church in Palo Alto, Calif. on July 7 and began his pastorate at All Saints two days later.

He attended elementary and high school in Palo Alto and is a graduate of Stanford University. During his years at Stanford he traveled on a Youth Caravan along with other college students, working with the high school youth in several different churches.

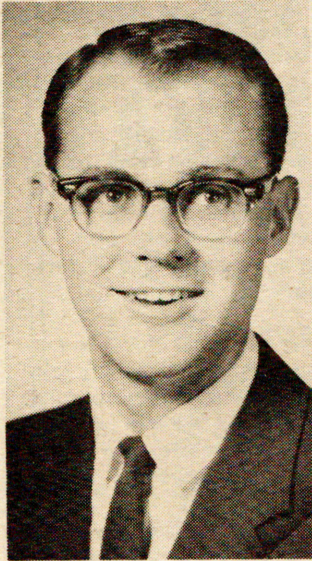

After graduation he spent one year on the campus of the University of Washington in Seattle in the "campus

ministry for unordained lay people." The next two years he was a student at the Lutheran Seminary in Philadelphia, after which he spent one year fulfilling his internship requirements at Christ Lutheran Church in Allentown, Pa. For the past year he has been studying at the University of Chicago Theological Seminary.

Rev. Johnson's wife, Margaret Ann, began graduate work last fall in the field of theology at the University of Theological Seminary; she plans to become a teacher upon completion of her doctorate.

All Saints has been without a pastor since October, 1966 when the Rev. Edward Livingston resigned to accept a call to become pastor of St. James Lutheran Church in Lake Forest, Ill.

The Rev. and Mrs. Bruce Johnson are now at home at 10275 144th St., Orland Park.

Honor Retiring Police Chief Of Orland Park

A dinner was given at Silver Lake Country Club last Thursday night as a tribute to Frank G. Guetter for his service to the community. Guetter retired July 1 after having served Orland Park police chief for 12 years.

Some 150 friends and neighbors, business men, public officials and some of his fellow chiefs from the area came to express regret at Guetter's decision to retire and devote all his time to his private inquiry business that he operates in Chicago.

The invocation was given by the Rev. Walter Ledogar, pastor of Christ Lutheran Church, and the benediction pronounced by the Rev. Leon Leatherman, pastor of the Orland Park Methodist Church.

Robert Johnson, head of Illinois Lawn, who with Mrs. John (Elly) Quinlan, conceived the idea and made the arrangements for the dinner in about a week's time, was master of ceremonies. He read telegrams from friends unable to attend but who wished to extend best wishes to Guetter. Johnson also harked back to the days when Guetter was Orland Park's only police officer with a duty schedule of 24 hours a day.

Vasconcellos, Dist. 4, Illinois State Police. Judge Irving Eiserman was among the officials present.

Speaking for Officers Jerry Monnett, Ted Ludes, Bob Tesmond, Joseph Cistaro and Cathy Toner, all of whom were present, John Quinlan told of their appreciation of working under Guetter whose leadership and 26 years of law enforcement experience made him an able teacher in the various phases of police work.

A plaque inscribed, "Pre-

sented by the Citizens Honoring Frank G. Guetter for his Devoted Duty to the Community as Chief of Police, Village of Orland Park, 1955-1967," was presented to the former chief by Elly Quinlan.

"If I had never received

a cent for my past services," he said at the close, "I would consider this night to be worth a million dollars. Your friendship and presence has shown me that I cannot give up serving my community, a community very dear to me."

For the fourth consecutive year the Mokena Woman's Club has taken first place in the community Fourth of July parade.

The theme of the float "Mother Goose Round-Up" consisted of a white goose over six feet high stuffed with cases of white kleenex. Twenty-four Mother Goose characters rode and walked around the float guarded by six cowboys.

Dennis Penley, riding his championship mare Synabou, completed the theme by trying to lasso the goose.

Mrs. Robert Best designed the float under the chair-

manship of Mrs. Francis Doyle. Others on the committee were: Mrs. Thomas Deeb, Mrs. Robert Mackey, Mrs. Ernest Margraf and Mrs. Gene Morrall.

Recent Bake Sale Quite Successful

BY JAMES H. PEYTON
Telephone 532-1516

The recent bake sale and white elephants sale sponsored by the Tinley Gardens Homeowners Association was a huge success. We wish to thank everyone for their efforts and to the co-chairmen Mrs. Vicki Sumner and Mrs. Bonnie Schultz for a splendid and most profitable job well done. Later in the evening we had a baseball game at the Lincoln Estates field and many of our people went to the game to see our proud, but inexperienced, team play ball. We all had a great time and also saw a real good ball game. These boys fielded their positions well and tried awfully hard to hit the ball but need some more batting practice in order to win. This we will do very shortly.

We would like to express our sympathy to the family of Thomas Sumner of Ethyl Lane on the recent death of an uncle.

We would like to report that Jackie Cobb, daughter of Mr. and Mrs. W. J. Cobb of Lenore Lane is doing nicely after burning her face

Storytime sponsored by the Woman's Club will be held Saturday, July 15 at the public library. Mrs. Thomas Deeb and Mrs. Louis Richards will read to children age three through first grade. Parents should bring their children at 10:30 a.m.

Mr. and Mrs. James Fetzner Sr., Timberview Drive, Kohlwood Estates, are the parents of a boy born at St. James Hospital, Chicago Heights, July 1. He has been named James Thomas Jr.

on the electric coffee pot last week.

Vacation time is upon us again but at the present time I have not heard from anyone regarding where they went or what they did etc. so please let us hear from you about your vacation.

A letter was received last week from Seaman Richard Sandy in which he states he is well and having a good time and at present is on shore leave in Naples, Italy. He wishes to say hello to all of his friends and says he will see them around Christmas.

Airman third class James H. (Howie) Peyton Jr. left last week to return to duty in Kadena, Okinawa after a 20 day leave for the death of his grandfather.

Our only other service man is PFC Thomas Kripner who is stationed at Fort Ord, Calif. and whom we have not heard from for awhile.

Letters

FROM THE Hirsch's

Dear friends,

The South Carolina Ad-
vocate wrote of funeral di-
rectors as "men who have
elected to serve humanity in
an area of life which is filled
with heartbreak, wonder-
ment, bitterness, sorrow and
grief.

Their own efforts to live
with nearly constant death
... must in large measure
have arisen out of a desire
to help the stricken families
and bring a little comfort in
a material way. We are glad
they are at hand."

Respectfully,

Edwin Hirsch

girls will work up a skit from this history, that will take from 2 to 5 minutes. They will be working on Hill-billy band instruments and costumes that they will use in the hour long show that will be put on Friday just before the close of day camp. Their folk songs, dances, costumes and skits will all be their own ideas, working around the Pioneer theme. The songs they will learn while waiting for the buses each morning and afternoon.

They will walk through the camp and see the camp in action, from 10 a.m. - 2 p.m. Upon their arrival at the camp all parents are asked to go to headquarters, from where the camp director, Mrs. Lee Gericke and her assistant Mrs. Ernest Taylor will take them to their daughter's unit, and a tour of the camp.

License Contractors Who Work In Orland

Orland Park has an ordinance that requires all types of contractors to take out a license and pay a fee.

At Monday night's meeting of the village board Anthony Kozak, chairman, of the board's building committee, said he has been asked whether the ordinance covers contractors who had jobs started prior to passage of the ordinance.

They were, Village Attorney Raymond Pieper told Kozak. Such license fees also apply to contractors on school jobs, it was brought

out and they are to be so informed.

It was reported at the meeting that when a building permit is requested the contractors will have to pay their license fees, if they have not already done so. There are many communities, it was said, where contractors must have a license before they are permitted to work and such licenses always carry a fee.

Orland Park licenses all business firms and all contractors.

District 524 Board Issues 755 Tuition Authorizations

James D. Koeller, administrative assistant, reported at the July 3 meeting of the Junior College District 524 board that 755 authorizations for partial tuitions had been issued as of July 30.

It was noted that 70 of the authorizations were for the summer of 1967; 328 for the summer of 1967 and the 1967-68 school year; 155 cover the 1967-68 school year; and 202 include the forthcoming school year and the summer of 1968. Authorizations issued are for 13 dif-

ferent colleges in the Chicago area.

William Nebe presented a report outlining the procedures for cash disbursements and receipts, as recommended by the firm of Ernst and Ernst. The board adopted these. A fiscal year, extending from July 1 through June 30, was established and Koeller was authorized to prepare a tentative budget.

The board is planning a meeting with Dr. Lowell Fisher, chairman of the committee which is screening candidates for the presidency of the junior college. The next board meeting will be held at 8 p.m., July 17 in the Colonial Savings and Loan Building, Oak Lawn.

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port of entry for the VW Sedan.

The price includes federal excise tax and import duty.

It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.

It's the price of the real thing; not a stripped-down economy model.

What else do you have to pay?

The charge for transporting the car from the port of entry. The dealer delivery charge.

And local sales tax.

There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it.

(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)

Now at our new location...

Circus Coming To Tinley Park

The Sells and Gray three-ring wild animal Circus will exhibit July 14 at Memorial Park, 171st St., Tinley Park, for a one-day engagement. The performances will be held at 2 and 8 p.m., sponsored by the Fr. C.C. Boyle Council Knights of Columbus.

Circus spokesmen indicate that this year's show has drawn together top talent from European and American circuses and combined it into the strongest production in the show's 67-year history. Special emphasis has been placed on daring aerial and acrobatic numbers and on animal acts.

Among the headliners on this year's bill are the Jungowes, Austrian performers who have been featured in the major circuses in London, Paris, Rome, Berlin and Copenhagen. Sharing the

spotlight are Kassle's Performing Russian Bears, massive brutes trained to perform fantastic tricks. "Captain", largest of the group, weighs 400 lbs. and towers 6' 4" when reared on his hind feet.

Other features include JoAnn Jennier, young star of the high trapeze; the Droguettes, Spanish jugglers; Vic and Jean Lewis, English clowns making their first appearance in the US; Sebastian, the Illusionist; the Hillanos French Poodle Revue; Sells and Gray's Performing Elephants; and a host of others.

Activities on the circus grounds will commence one hour prior to show times. Tickets may be purchased in advance from the members of the Knights of Columbus.
